General Tournament Information

- The home team must wear light colored uniform tops and the away team must wear dark colored uniform tops.
- Game officials have the authority to eject players and coaches for poor sportsmanship at their discretion. All ejections are reviewed by the referee assignor and tournament director(s).
- Coaches are responsible for controlling team spectators and fans. Referees and tournament officials have the authority to ask a player or fan to leave for unsportsmanlike conduct. Teams can receive technical fouls for the actions of their coaches, players and spectators for any distractions ruled as unsportsmanlike conduct by the tournament staff.
- Any tournament participant (player, coach, fan, or referee) that has a physical interaction with another player, fan, coach, or referee will be suspended for not only that weekend's event, but also indefinitely. A return to the facility is at the discretion of the Team Beasts Basketball tournament staff. Fighting will not be tolerated at Team Beasts Basketball events.
- Team Beasts Basketball does not condone the use of racial slurs from players, parents, or coaches. Use of racial slurs is grounds for ejection from the event.

Age Breakdown

All Team Beasts Basketball tournaments are grade based. Under these rules, any player who shows current proof of grade (report card, progress report, or school ID) is eligible to play for that grade level.

- Example- A player playing 13U/7th grade who shows proof that they are currently in 7th grade regardless of their birthdate is eligible to play.

- However, birthdate is still relevant. For example, please note that a player who is in 8th grade could still conceivably play 13U/7th Grade division if he fits into the correct age range.

See age ranges below:

- 11U / 5th Grade
 - An athlete can be no older than 11 on August 31, 2023
